### 2011 Hilly Awards Thank You for Your Votes

If you weren't at the 3rd Annual Hilly Awards at the Atlas Performing Arts Center, you missed a fantastic party hosted by CHAMPS (Capitol Hill's Chamber of Commerce).

Last year we won the Hilly Award for Best Service Provider. This year the categories were changed around a bit. We were nominated in the Health, Wellness, and Beauty category and were the official Runner-Up. While we did not win, we are so happy for our clients at Capitol Hill Yoga who won this year. Congratulations!

Thank you to everyone who voted - and thank you to CHAMPS for putting on a great show - our staff had a great time and we got to see many of our clients looking fabulous!

### Jerri Graham - On Leave Following Christmas

As many of her clients have heard, our senior stylist, **Jerri Graham, will**

in advance so that you can get in with your preferred stylist.

We will be closing early on Christmas Eve and then will be open regular hours during the week before New Year's Eve, but with a limited staff.

### Referral Rewards

The best compliment you can give your stylist and our salon is a referral. As a way to say thank you, we offer referral rewards.

For every three people who identify you as the person that referred them to us, you receive a complimentary haircut from your stylist (referral credits from children haircuts may be used for a child's haircut). To receive proper credit, just be sure the people you refer mention you by name when they come in. To find out how many referrals you have been credited with, be sure to ask the receptionist on your next visit.

**be on leave following Christmas through at least January and possibly part of February 2012.** Appointments for her will not be taken for January 2012 and any appointments with her in February 2012 are considered tentative.

Her appointment book before Christmas is nearly filled up. We will be keeping an active waitlist for her clients who are unable to get in before Christmas or who would like appointments with her upon her return. She will not be taking on any new clients before she goes on leave in order to accommodate her regular clients. Other staff at the salon will assist with any needs of her clients during her absence.

Should you have any questions, please feel free to contact the salon or Jerri. Thank you for your understanding and support.

### Our Newest Stylist - Nathan Griffin

For many of you, he is a familiar face. Nathan has been assisting Mickey since earlier this year and has become an important member of the team at Michael Anthony Salon. We are proud to promote him and present him as our new Junior Stylist.

Nathan is a native of Louisiana and a graduate of the Gramm Webb Academy. Since joining our team, he has proven himself with his attention to detail, excellent styling, talented technique, and enthusiasm.

Please join us in congratulating Nathan - and please spread the word to anyone looking for a new hairdresser.
